**Notes:**  
This drawing complies with the RICS Code of Measuring Practice, 6th edition (September 2007) and the Globally applicable 6th Edition (May 2015). It indicates the extent of the areas quoted, produced to an accuracy commensurate with standard presentation scales. It is held in a scaled digital CAD format. Dashed lines denote assumed wall lines inaccessible or not in situ at the time of survey.  
This drawing has been produced for area referencing purposes requested by the original commissioning agent and must not be used for any architectural or construction/engineering purposes or for any other purpose other than that for which it is originally intended. Plowman Craven Limited accepts no responsibility for details that are subsequently found to be the consequence of undisclosed facts or that were obscured from view at the time of survey or that have been altered since the date of survey.  
This drawing contains Ordnance Survey data which has been reproduced with the permission of the Controller of Her Majesty's Stationery Office, Crown copyright 2020.
