WORKSHOPS + WAREHOUSES

expressway.london | Royal Docks | London E16

About

Located between Royal Victoria and West Silvertown stations, Expressway is a SME campus with extensive options on cost, terms and sizes across 40 maker workshops and multi-use warehouses.

All are suitable for production, manufacturing and logistics. All benefit from full use of the Expressway amenities and the cafe which is operated by a top East London coffee roaster, Perky Blenders, situated within the large reception and comfortable break out space.

Some of the businesses currently making up our community are a microbrewery, film production company, furniture makers and printing house.

You're very welcome to join this hub of start up's if you're also an energetic SME looking to thrive!

Expressway proudly a part of General People, an award-winning workspace operator as well as a pioneering workspace concept.
