EXCEL LONDON

Opened in November 2000, in an area of huge regeneration in London's historic Royal Docks, ExCel London has been at the forefront of the regeneration. Comprising in excess of 1m sq.ft., the venue hosts over 400 events annually, welcoming 40,000 exhibiting companies and over 4 million people, from across the globe.

The event halls can take a capacity of 68,750 people at any one time and offers a blank canvas for any type of function, from boat shows to business conferences. Events hosted at ExCeL are responsible for delivering £4.5bn in economic impact to London, supporting 37,600 jobs and driving 25% of London's inbound business tourists.

ExCel has launched a brand refresh ahead of its 25th anniversary in 2025 to support its new mission, to be the best event destination in the world. This also coincides with major developments to the ExCel, including the opening of London's largest entertainment district, Immerse LDN, and a new 25,000 sq.m. extension which is due to open in April 2025.

Royal Docks

London's only enterprise zone:

Enterprise zones bring a wealth of opportunities for small businesses, such as tax reliefs, business rates discounts, and easier access to planning permission. The area is likely to reach more than £8bn of investment by 2038, including £600m of TFL investment in the DLR network.

Warehouse K is located in close proximity to ExCeL London, the world renowned events venue, local shops and theatre, as well as being within walking distance to London Cable Car, which links the Royal Docks and Custom House to the Greenwich Peninsula.
